Year 2020-2021 shook the whole world due to the covid-19 pandemic. It has resulted in schools shut across the world. As a result the atmosphere of education has changed dramatically, with the distinctive rise in e-learning. St. Xavier's Public School Assam began the online learning from April 23rd 2020. It received a mixed response, as the school caters the students of all sections of the society. A few of them found it difficult to cop up with the online learning.

While online classes in process we also conducted online competitions in few activities like art, poetry, essays and photography, and the children were awarded with 1st, 2nd and 3rd positions.

Every year, world environment day is observed on 5th June we conducted awareness programme to encourage the students and staff, about the environmental protection. The school celebrated it by planting saplings by the staff of the school.

This year in view of the spread of covid-19 pandemic, the Principal Sr.Savina hoisted the Flag in the presence of few staff by observing the preventive measures such as social distancing, wearing of masks, proper sanitization, avoiding large congregation etc.

The Assam Government took a challenging step to conduct offline classes for classes IX and X amid the pandemic. Keeping in mind the protocol given by the government by sanitizing the campus and building once a week, thermal screening, 12 students in a class, checking of oxygen rate daily, wearing of masks etc. St. Xavier's public school began the offline class with the cooperation of the staff and parents from September 22nd onwards.
